HOW TO DO THE INCLINATION ASSESSMENT

on TEACHERCONNECTchat

BE PART OF THE FUTURE! WhatsApp IGO to 060<u>060 3</u>3 33

Welcome to the inclination assessment!

The Inclination Assessment for the GEC 2022 field-test is housed inside the DBE-E³'s WhatsApp bot, TeacherConnect*chat*.

This document is your simple 1, 2, 3 steps to use the Inclination Assessment.

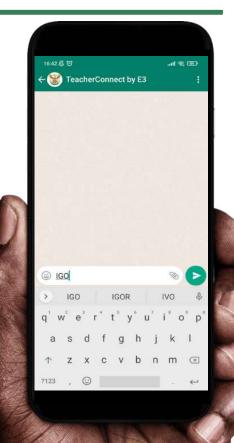

Step 1

Join **TeacherConnectchat**, by saving this telephone number on your phone **060 060 33 33** with the name of the contact TeacherConnectchat.

Then open up WhatsApp and send a WhatsApp message to **TeacherConnect***chat contact* with the word **IGO**.

If you have a **QR code reader**, you can also open up the QR code reader and snap this code. The code will open up WhatsApp for you with the keyword already loaded. You will just need to press 'Enter' to start.

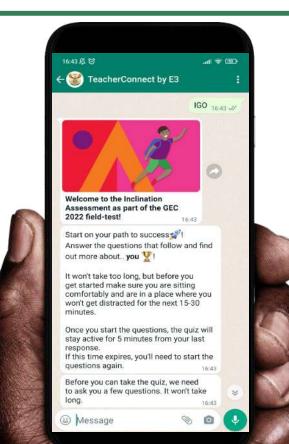

Step 2

Register!

Follow the prompts and answer the easy questions that will help us learn a little more about you.

You will also be asked which language you'd like to take the assessment in. (Please note that although the questions will be asked in your language of choice, the response document will be in English).

Step 3

Now it's time to take the assessment. It's simple, easy to use and should take you no more than 30 minutes.

Just read the question that is in the message and reply with either an **YES** or a **NO** depending on what you feel is closest to you.

There is no right or wrong answer.

Just answer what you feel is most like who you are. This is about you and what you like, so answer what feels right **for you**.

Well done!

Congratulations!

Once you've answered all 60 questions, you'll get a message that has a PDF in it sent straight to your phone. That PDF has your results in them!

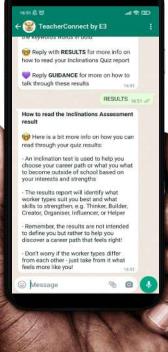

You have the option to share the PDF with another number too.

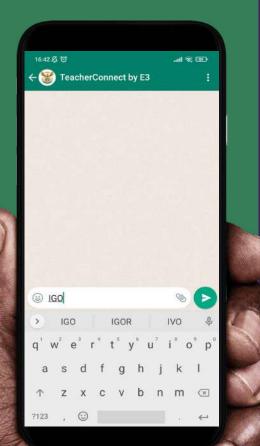

(A copy of it will also be made available to the school).
