MPUMALANGA
THE PLACE OF THE RISING SUN

2026 GEC PILOT SCHOOLS

TYPE OF SCHOOLS

MANAGEMENT OF ICAT IMPLEMENTATION

- Training provincial officials(Subjects Heads , CES, DCES, ALL SESs; EMIS, Teacher Development) will be trained on a 3 days program 11-13 May 2026.
- GEC Districts Coordinators to conduct dry runs to plan and train districts training team.
- Districts train circuit managers, Principals and SMT as well as School coordinators.
- The training of subject teachers on Integrated projects 1 & 2 will be conducted during term 2.
- Implementation of IP and 21st century skills commence at the beginning of term 3.
- The provincial officials , curriculum heads and subject advisor support and monitor the implementation.

MANAGEMENT OF CURRICULUM TESTS

- Assessment Service prepares printing data sourced from circuits, schools and verified through EMIS.
- Printing of GEC tests is budgeted for by the Mpumalanga Provincial Department.
- Curriculum Tests will be collected in September at DBE and submitted to the printing service provider and the printing will be monitored.
- Packaging will be done per district/circuit/school by the service provider.
- Province issues assessment instructions and trains school coordinators on the administration of Curriculum tests and sampling of 25 scripts.
- Distribution of Tests through district resources to NSC district Nodal points.

MANAGEMENT OF CURRICULUM TESTS--

- Test will be collected on the day of writing by Principal or an authorised official from School.
- The curriculum tests will be coordinated by an official from provincial office deployed in each district.
- Provincial officials, subject heads, Circuit managers and subjects advisors will monitor the writing of Curriculum tests.
- All reports of integrated projects and reports from curriculum tests monitoring submitted to BR public exams in the assessment service section.

MODERATION OF CURRICULUM TESTS

- Moderation to be conducted internally in all schools, districts and provincially by departmental heads, subjects advisors and provincial moderators.
- Central Provincial marking moderation conducted at a central venue.
- The consolidated summary reports thereafter are reported to curriculum for implementing the recommendation.
